RE: Featured Performer Claim — ISRC USAT22003620 — “WHATS POPPIN (Remix)” — Lil Wayne (Dwayne Michael Carter, Jr.)

To Whom It May Concern:

On behalf of our client, **Dwayne Michael Carter, Jr.** (professionally known as Lil Wayne), we submit this claim for his featured performer share of digital performance royalties under 17 U.S.C. §114 for the sound recording identified above.

Enclosed please find:

- Letter of Direction — Part 1 (signed by the artist and counsel)
- Schedule 1 — Repertoire Chart (ISRC USAT22003620)

This claim is for the featured-performer share of non-interactive digital performance royalties under 17 U.S.C. §114 only. It does not assert any claim against on-demand interactive streaming services or against the master owner's sound-recording-copyright share.

Our client requests:

- Confirmation that he is registered as a featured performer for this ISRC;

- Release of any accrued royalties properly attributable to his 45% featured performer share; and
- Direction on any additional documentation required.

Please direct all correspondence to the undersigned.

Respectfully,
